

Why Lease from Olympic Property Group?

1. We are a professional residential and commercial property management company. You will be treated courteously and your calls and emails returned promptly.
2. We understand and share your concern regarding your personal information. Please be assured that we make every effort to use any information shared with us **ONLY** as required to do our job for Olympic Property Group. Our computer network is protected by the latest protection technologies and is backed up and updated on a regular basis.
3. You are our customer and we do everything we can to handle repair requests promptly when a repair (that is covered in our lease) occurs.
4. Our vendors (repairmen) are all required to carry and provide proof of liability insurance and workman's compensation insurance. Most of the vendors have worked for us for years. They provide prompt courteous service.
5. Our staff is trained to properly complete check-in/check-out reports. This discourages discussion regarding security deposit returns.
6. Security deposit disposition is handled promptly and according to Washington Law.
7. Your prompt rental payment history is reported to our credit reporting service. This provides you with a positive rental payment history on your credit report.
